

## Decking Products

Engineered to simplify the building of decks and garden structures, our range of post bases, clips, brackets, hangers, and connectors provides not only aesthetically pleasing connections but also robust support for timber posts. These components are constructed from welded heavy-duty mild steel and undergo powder coating after fabrication for added durability.

## Product

### DC Decking Clips

An invisible way to attach wooden decking to the deck joists. Simply attach as shown for a sure fit with no screws.
