

## PowaPost<sup>®</sup> Fencing Products

Designed to make the erection of fencing, gazebos, pergolas and other garden structures quick and easy, the PowaPost<sup>®</sup> range of fence post spikes offer strong anchorage for timber posts and are manufactured from welded heavy duty mild steel, powder coated after fabrication.

### Product

#### RS Repair Spike

The PowaPost<sup>®</sup> repair spike is a sturdy welded shoe which provides an easy solution to broken or rotted timber posts that have been previously set into concrete. Perfect for repairing storm damaged fencing, the repair spike is installed quickly, eliminating the need to remove the existing concrete and without the need for digging or additional concreting.
